

WWF6, Publication of the synthesis report on "Good Governance"

Dossier de la rédaction de H2o
May 2012

À

Publication of the synthesis report of CS1 sessions on "Good Governance" that took place during the 6th World Water Forum in Marseille. This report provides a quick overview of key messages and outcomes, as well as hyperlinks to the sessions' background reports and PowerPoint presentations provided by the speakers.

Almost 300 contributors to the Good Governance group have participated in the 6th WWF preparatory process.
