

6th IAHR Europe Congress

Dossier de la rédaction de H2o
October 2019

IAHR Europe Congress is a major scientific event related to water issues organized under auspices of the International Association for Hydro-Environment Engineering and Research. Call for Special Sessions proposals is open until 31-10-2019. Please note that your session will be announced as soon as it is accepted by Programme Committee. The sooner the better! Deadline for abstracts submissions is 15-01-2020.
