February 2020

Awarded biennially at the IWA World Water Congress & Exhibition, the Project Innovation Awards recognise and promote excellence and innovation in water management, research and technology. Now in their 13th year, the awards are presented at a prestigious event in front of an audience of water leaders from around the world. We are now inviting preliminary submissions for the 2020 edition for the following categories: Market-changing Water Technology & Infrastructure; Breakthroughs in Research and Development; Governance, Institutions, and Social Enterprise; Performance Improvement and Operational Solutions; Exceptional Project Execution and Delivery; Smart Systems and the Digital Water Economy.
