ACQUEAU Call 4 Information Day

Dossier de
br /> la rédaction de H2o March 2011

Registration is now open for the ACQUEAU Call 4 Information Day that will be held on 11th April in Brussels. The aims of the information day will be to provide advice and information for submitting a project to Call 4, and to provide a good networking opportunity. The Call 4 topics are as follows:

4AÂ - Pipelines and Materials

- 4BÂ - Follow-up on Sustainable Wastewater Treatment
